

Guidelines for Faculty Resolution

A Faculty Resolution does not initiate the formal process for Academic Misconduct

Faculty members shall

- place clear instructions about the components of Academic Integrity on the course syllabus
- define the penalties for cheating and plagiarism on the course syllabus
- first contact the Student Conduct Officer in the Office of Student Affairs, 478-757-7383, to determine if student has a prior history
- based on his or her judgment, determine that an Academic Integrity infraction does not rise to the level of either a Faculty or College penalty. In such a case, the faculty member should alert the student(s) to the issues involved and explain the risk of incurring either a Faculty or College penalty.
