

2012-2013 Scholarship Application

APPLICATION DEADLINES: ROUND ONE: APRIL 2, 2012
ROUND TWO: MAY 31, 2012

Macon State College Foundation offers scholarships to students with high academic promise who are currently enrolled or accepted for enrollment at Macon State College. Scholarships are awarded based on criteria specified by the donors, which may include need, merit, GPA, age, major, hometown, or any combination. Descriptions of established scholarships are listed on the Macon State website at www.maconstate.edu/foundation/scholarships/estscholarships.aspx.

Submitting one application allows the applicant to be considered for all scholarships administered by the Foundation except for Presidential and Study Abroad Scholarships.

Scholarships are awarded in two separate rounds; *however, most scholarships are awarded during Round One*. Applicants not awarded a scholarship during the first round will automatically be considered in the second round without having to submit another application. All applicants will be notified no later than June 30.

Two scholarship reference forms are required for each applicant. Both references must be from educational professionals who are aware of the applicant's academic achievement and potential and are not members of the applicant's family. Applicants are responsible for ensuring completed reference forms are returned by the deadline.
